BART is hosting an outreach event and inviting businesses who may be interested in participating in the TBT Internal Retrofit construction project. Small businesses, Minority Business Enterprises (MBEs) and Women Business Enterprises (WBEs) are encouraged to attend. **Subcontractors, Suppliers, and Consultants who wish to participate must execute a Third Party Non-Disclosure Agreement, by May 16, 2016, for Release of Security Sensitive Information, and complete a security screening. Bids for this project are due on August 2, 2016.**

The BART Project Team will present a general overview of the work and services needed, with projected costs up to 300 million. The Project Manager, Anthony Hitchings, will discuss the project and Security Sensitive Information (SSI) process. The Office of Civil Rights (OCR), Contract & Labor Compliance Program Manager, Hayden Lee, will discuss BART's Small Business Program and Non-Discrimination Program for Subcontracting, among other OCR requirements. A Small Business Goal of 10% was established for this contract.

The TBT Internal Retrofit construction project work consists primarily of: rebar scanning, laser surveying, concrete demolition, steel fabrication and erection (plate and rebar), concrete placement, concrete sawing and coring, waterproofing, painting, piping and pump stations, electrical substations and medium voltage transmission lines, monitoring and control systems, trucking, welding, on-rail vehicle procurement, precast concrete tie blocks, and specialized plate handling machinery.

The Third Party NDA may be obtained by Completing the Request for NDA - Attachment 2, and:

- Sending it to the District Secretary through fax at (510) 464-6011, OR
- Mailing it to the Office of the District Secretary at San Francisco Bay Area Rapid Transit District (BART), P.O. Box 12688, Oakland, CA 94604-2688.
